21/07 Planning

- a) Notification received and considered for planning applications between 7 December 2020 and 4 January 2021

21/08 Finance

- a) To authorise payments made in accordance with the budget
 b) To revisit moving EPC accounts from Barclays Bank to Unity Trust Bank
 c) Precept demand
 d) A grant of £1000 has been awarded from County Councillor Stephen Boulton's Locality Budget Scheme to go towards repairing the roof of the Village Hall

21/09 Correspondence

- a) Notification from Highways England of an upcoming improvement scheme taking place on the M25 junction 25. The enabling works will start from January, which will not impact the travelling public as these works will be off network. The main construction works will begin in February and this will see reduced speed limits and traffic management in place, which will likely cause delay to journey times.
- b) Notification from Hertfordshire County Council that crushed concrete resurfacing on Cole Green Way with associated drainage improvements, in two sections between the A414 and East End Green and between Hertford viaduct and Hertford Town Football Club, will now start on 11th January 2021 and will take around five weeks. The work will be undertaken without closing the route, but users should be aware of the risk of short temporary closures and take great care when passing through the working area. Sealed surfacing, again with associated drainage improvements, between Hertingfordbury and Hertford viaduct, is likely to start in February or March 2021. This section will be closed for four to six weeks while the work is carried out, and dates will be advertised when confirmed.
- c) Letter from a resident requesting easier access on the website to the zoom link for meetings, and with concerns over fly-tipping.
