

Requirements for reopening the playground, based on government guidance

- Sanitize hands before and after use, using hand gel
- Adults and children - remember not to touch your face
- Please cough or sneeze into a tissue or arm when a tissue is not available
- Only one family to use any piece of equipment at one time (swing set counts as a piece of equipment)
- Only one accompanying adult per family
- Keep at least 1m apart at all times – on benches, anywhere in the playground, or while waiting to go in
- No eating or drinking
- Maximum time limit – half an hour on each visit
- Facilities are not cleaned and therefore there is a risk of transmission. Families are encouraged to wipe down obvious touch points before and after use
- Take all rubbish home
- Note that semi enclosed spaces like the play house will enable the virus to survive longer on surfaces than exposed areas
- Using playground equipment is at the risk of the user
